

VMKN NEWSLETTER 2003

Hey all you MK legends! It's time to start a new year of fun and adventure and getting to know each other. We have some great events planned out where we hope you can come along and be a part of the MK family. We hope you had a safe and happy Christmas and new year and know God has awesome things prepared for those who love him!

Church Kids Presentation

As members of the VMKN a few of us thought it would be a good idea to educate churches about MKs. Considering a lot of them send out missionaries it would be good for them to know how to relate to the kids and understand the impact going to the mission field has on them. A group of us went down to Vera St Gospel Chapel in Frankston and set up a display with a map and photos of us and friends on the particular part of the map that we came from. We asked different questions like, "What do you think is different about us to normal kids" and answered questions in our own individual languages. The presentation was given to the Kids Church and they really seemed to enjoy it. They grasped the concept of cross cultural experiences very well and it was a fun day had by all!

VMKN camp 2003 Discovering Your Destiny!

The camp help at Corinella went from the Friday night to the Sunday. We had heaps of fun playing soccer on the beach and sitting in the spa! We also had some great sessions with speakers Victoria and Steven Roberts who took us through some personality tests and helped us value our uniqueness with all the experiences we've had. The food was fantastic! With dishes from all around the globe (Thanks Sylvia!) and we got to meet heaps of interesting and new people just like ourselves! But with their own stories of course...
